Principal: Randy Hall

Vice-Principal: Darren McCallen

Counsellors: Karyn Walmark, Kate Young, Justin Young, Ian Carruthers

School Philosophy and Community

Mentor College is a private co-educational day school, founded in 1981, and provides an enriched academic programme for its students. A caring environment that is rich in personal attention has been established, and this positive atmosphere both allows and encourages students to think and reason for themselves. Located in Mississauga, the high school (grades 9 to 12) and intermediate (grades 5 to 8) divisions are housed in the Main Campus. An adjacent Primary Campus is home to the JK to Grade 4 students.

International trips for athletics, academics or humanitarian service efforts enhance the programme. Other extracurricular activities abound and include athletics, music, drama, arts and special interest clubs.

The High School Programme

The comprehensive coed High School Programme is four years long and focuses on the academic, university stream courses that earn the student the Ontario Secondary School Diploma. There are 650 students enrolled in the High School Division. The school is inspected and accredited by the Ontario Ministry of Education and is a member of the College Board, delivering Advanced Placement (AP) Courses and Exams to senior students.

Curriculum

A complete listing of the Ontario Credit and AP courses offered at Mentor College is updated each year on the school website, www.mentorcollege.edu. Emphasis in course offerings is on those that are the necessary prerequisites for entry into a wide array of university programmes. The courses are offered in a full-year schedule. Up to eight subjects can be taken per year in a daily schedule that comprises four classes and a lunch period, running from 8:45 to 3:15.

Grading and Ranking

In Ontario the credit courses are given a final grade as a percentage. Mentor College does not rank students. For conversion of grades the school follows the following summary:

Percentage	Letter Grade	Grade Point Value	Definition
90-100	A+	4.0	Excellent, above the provincial standard
85-89	A	4.0	Excellent, above the provincial standard
80-84	A-	3.7	Excellent, above the provincial standard
77-79	B+	3.3	Good, at the provincial standard
73-76	B	3.0	Good, at the provincial standard
70-72	B-	2.7	Good, at the provincial standard
67-69	C+	2.3	Good, below the provincial standard
63-66	C	2.0	Adequate, below the provincial standard
60-62	C-	1.7	Adequate, below the provincial standard
57-59	D+	1.3	Passable, below the provincial standard*
53-56	D	1.0	Marginal, below the provincial standard*
50-52	D-	0.7	Marginal, below the provincial standard*
<50	F	0.0	Failure

Graduation Requirements

The Ontario requirements for graduation are listed on the school website. The student must complete 30 credits (courses) in four years and complete a minimum of 40 hours of community service. The Ontario Secondary School Literacy Test must also be successfully completed, and this is usually written in grade 10.

Graduating Class of 2024

There were 149 graduates in the class of 2024.
86% of our graduates; 128 Ontario Scholars earning an average at or above 80.0%

University and Post-Secondary Placement

100% of the students were accepted into post-secondary studies.
145 students of 149 graduates, or 97.3% matriculated to university.

Advanced Placement (AP)

At Mentor College, AP courses are taught in their own self-contained classes in addition to the Ontario course in that subject resulting in double teaching time and learning. Mentor College students consistently outperform the AP student averages across the country.

In May 2024, 99 students took AP exams in 12 subjects. 75 earned university credit, and 43 received perfect scores of 5. In 2023, one Mentor College AP Chemistry student earned a perfect score on the AP Chemistry exam (one of only 23 perfect scores internationally out of the 112554 students who wrote the exam).

Ontario Secondary School Literacy Test (OSSLT)

In 2023-2024, 157 students in grade 10 wrote the OSSLT. (95% of students were successful compared to 85% success in the rest of Ontario).

Scholarships and Awards of Distinctions for our Graduates

University of Toronto National Scholarship – Book Award (2024)

Western National Scholarship (2023)

Rhodes Scholar (2022)

Brock Scholar (2022)

Queen's University Principal's Scholarship (2022)

Queen's University Chancellor's Scholarships (3 students)

Schulich Leadership Scholarships (2 students)

Math: University of Waterloo Math Contests: nearly half of our students competing finished in the top 25% internationally (2023)

Math: Canadian Open Math Challenge (COMC): 13 students earned Performance with Honours; 7 students earned Performance with Distinction (2023)

Math, Western University Mathematics Exposition Competition: Mentor student team won first place (2024)

Biology: University of Toronto Biology Scholars' Awards (2017, 2019)

Chemistry: University of Waterloo Chem 13 News Chemistry Contest - 5 students in the top 200 in North America; 93rd percentile (x2), 98th percentile, our top student ranked 13th internationally (2024)

Chemistry: Avogadro Contest: 2 students in the top 200 in North America; 90th and 96th percentiles internationally (2024)

Physics, University of Waterloo Sir Isaac Newton Physics Contest 90th percentile (2024)

Physics, Ontario Association of Physics Teachers' Contest: 91st, 94th, and 99th percentile; our top student ranked 4th internationally (2024)
